* Sizes noted are maximum dimensions. All doors jamba up to this size are covered by this price. For doors with dimensions larger than that shown, please contact Studco for special pricing. POA = price on application. Please contact Studco for pricing.

If your door requirements are larger than the dimensions shown above, please contact Studco for pricing. EZYJamb Cavkits come standard with rebated closer cap.

Wall Thickness

- EZYJamb prices shown are suitable for 82-220mm finished wall thickness.
- Cavkit prices shown are suitable for 112mm finished wall thickness only.
- For non-standard wall thicknesses, please contact Studco.

Inclusions

- Prices for hinged doors include all hinges, latch plate and latch plate punching where applicable.

Hinges per door: 2040mm high = 2 hinges,
2340mm high = 3 hinges, 3000mm high = 4 hinges.

- Prices for cavity sliders include trim reveals and rebated closer cap.

Availability

- Standard products: 5 working days.
- Custom products: 15 working days.
- Orders for 20 jamba or more are subject to written confirmation of lead times.
- Lead times are subject to change without notice due to unforeseen demand fluctuations. Always confirm exact lead time with EZYJamb prior to placing order.

Ordering

- To order EZYJamb products, please download the EZYJamb online order form and complete all fields clearly and accurately.

Expedited Orders

- For urgent orders, manufacturing processes can be expedited on request. Expedited orders can be despatched within 2-3 working days from receipt of order. A charge of \$85.00 per jamb set is applicable to expedited orders.
- Expedition of EZYJamb orders is not always possible and is subject to operational requirements. Always confirm exact lead time with EZYJamb prior to placing order.

Project Specific Quotes

- Project specific quotes are available within 5 working days of your request.

Packaging Fee

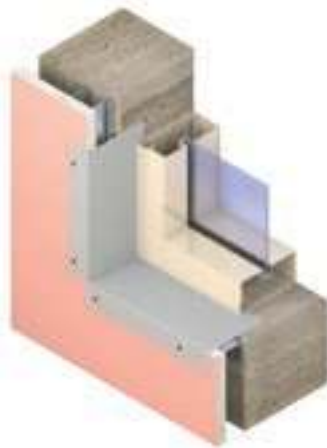

- Where Studco is required to ship EZYJamb products to the customer or to site, a packaging fee is applicable. Freight charges also apply.

Returns

- As all EZYJamb are made specifically to order to individual requirements, all EZYJamb door jamba are non-returnable and non-refundable. All orders for EZYJamb door jamba are also irrevocable after two (2) hours of EZYJamb receiving the order, due to manufacturing and scheduling requirements.
